**SANTA ELENA CRIANZA  
(D.O. LA MANCHA)**

**Winemaking:** Wine produced from Tempranillo grapes following controlled fermentation processes. The wine is aged for at least 6 months in American oak barrels.

**Tasting notes:** An elegant wine, cherry red in colour with ruby hues. Red-fruit compote and vanilla aromas with a pleasant spicy touch. Well-balanced in the mouth.

**Serving advice:** We recommend serving with cured cheese, pate and meat stews. Best served at 14-16°C.
